

## RACCOON SFX LIST

Jack and his keyboards - to D.I. Box

G. H. Theremin to FX Reverb Pedal to D. I. Box

G. H. Keyboard/Synth to Volume Pedal to D. I. Box.

One Vocal mic will go through Boss VE-20 FX pedal

Buzzer Board – ideally with Buzzer type door bell.

---

FX. Clothes rustle [use coat]

FX Shoes 3 pairs men with leather soles. 1 pair women's high-heels.

FX Corn Flakes boxes

FX 2 or 3 Raccoon Calls [ I have one to bring]

FX 3 Squeaky Dog Toys of various types for various tones.

FX Leather Belt for leather creaking.

FX Warble Board . Long, rectangular fibre board for 'wobbling' throb sound.

FX Wrench Crank – could use sprocket wrench?

FX Aquarium pump in small bucket of water for bubbling in Lab.

FX LARGE basin with water. A base of standing shower unit.

- FX Small Fountain Pump. In large basin. Turned on for river flowing sound.
- FX. Sponge [ kept in basin squeezed for ooze sound. ]
- FX various bells, Slide Whistle. Harmonica.
- FX. Large balloons [for bursting and for letting air wheez out of]
- FX. Glass of water for gargling, spit into the small bucket.
- FX. Pot with Lid [snake bucket]
- FX. Rattle / egg-shaped shaker for rattle snake fx.
- FX. Measuring Tape retractable for Baton clicking
- FX. Something to make soft Cell Phone App ‘beeps’
- FX. Door.
- FX ‘Cricket’ noisemaker [ I can bring one]
- FX. VHS tape, loose, for ‘Grass’ fx.
- FX. Cornflakes on a section of wooden sound effects table for crunching on floor.
- FX. Potato chip bags.
- FX. Camera for clicking – if possible.
- FX. Chain. 2 or 3 feet only.

- FX. Boss VE-20 for small speaker fx in which one of the microphones runs through.
- FX. Potato Chips. For 'Bobby' to munch on.
- FX. 'Bed Springs' creaking.
- FX. Metal Hinge which creaks.
- FX. Wooden Creaker.
- FX. Metal Crash Box.
- FX. Cone. Large Funnel.
- FX. Old rotary Phone.
- FX. Clip board – a old fibre board type.
- FX. Harmonica for 'alarm'
- FX. Spray Can with ball inside for shaking fx.
- FX. Spray Can which can actually spray – safely!
- FX. Cellphone 'beep's - what can we use for this? A child's toy cellphone?
- FX. Metal Cage. Could be Shopping Cart with hinged child's seat.
- FX. Book. Large.
- FX. Cardboard Box. [ like one foot cube ]

- FX. For Portcullis: Can some one rig up a Bowling Ball to roll down something like a metal spouting gutter like over 5 seconds? For that rolling metal sound? At end we use Crash Box. And Cymbal.
  - FX. Crash or Ride Cymbal on Stand.
  - FX. Door Handle rattle on Door. There is probably one of the SFX door. ?
  - FX. Troop Box FX for the 'marching sound' – G.H. has one!
  - FX. Quarter inch guitar leads. A couple like 10 foot long, a couple 4 foot short.
- 

**I will rig:**

Bowed Cymbal
